

Damage Waiver Cover

Liftright Access Ltd operates under IPAF terms and conditions. Therefore, any plant hired to yourself is your responsibility from the time of delivery to it arriving back at our depot and being inspected.

Why do I need this?

A copy of your Hired-In Plant Insurance is required if our equipment is being covered by your policy.

Cost: 20% of the total hire will be charged.

Cover Provided: Loss or Damage to the machine subject to the terms and conditions noted below.

Excess: An excess of £750 is applicable to each and every claim.

Exclusions:

- Use on a Public Highway
- Theft of Machines where the keys are left in or on the machine

In the event of a claim

Please note this is not an insurance policy and you will still be bound by our terms and conditions.
